

Villa with Pool vs Hotel with pool

6 reasons to book a private villa for your next vacation in Sicily

Why spend **more money** to have less?

SIZE AND PRIVACY

You will have the entire villa for you, including a private garden with pool.

1.000+ sqm

You will have just one or more rooms and you will have to share all the amenities with strangers.

30/40 sqm

CLIMATE

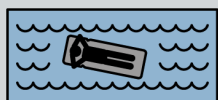

You will enjoy the climate and sun, relaxing by the pool and dine outdoors.

You will have to search public location such as beaches and restaurants to enjoy the climate.

AMENITIES

You will have for your private use a pool, sun beds, tv, wi-fi, laundry etc.

You will have to share the amenities in overcrowded pools or book in advance your services.

FOOD

You will have a complete kitchen and a barbecue to enjoy exactly what you want, whenever you want.

You will have to search for restaurants or similar everyday, without the guarantee to find what you want, including scheduled times.

BEAUTIFUL MOMENTS

You will have great time with your friends or family, having fun by the pool side or enjoying a barbecue in total relax.

You will have to enjoy the moments with your group sharing the space with other strangers around you.

SAVING

read below our research details

Our research shows that a week for families or groups in a Sicily Villa costs around 1450 euros less than in a hotel.

Our research shows that a week Sicily staying in a Hotel is convenient only if your group consists of 2 people.
